Create unforgettable memories with a celebration at sea that's unique to you.

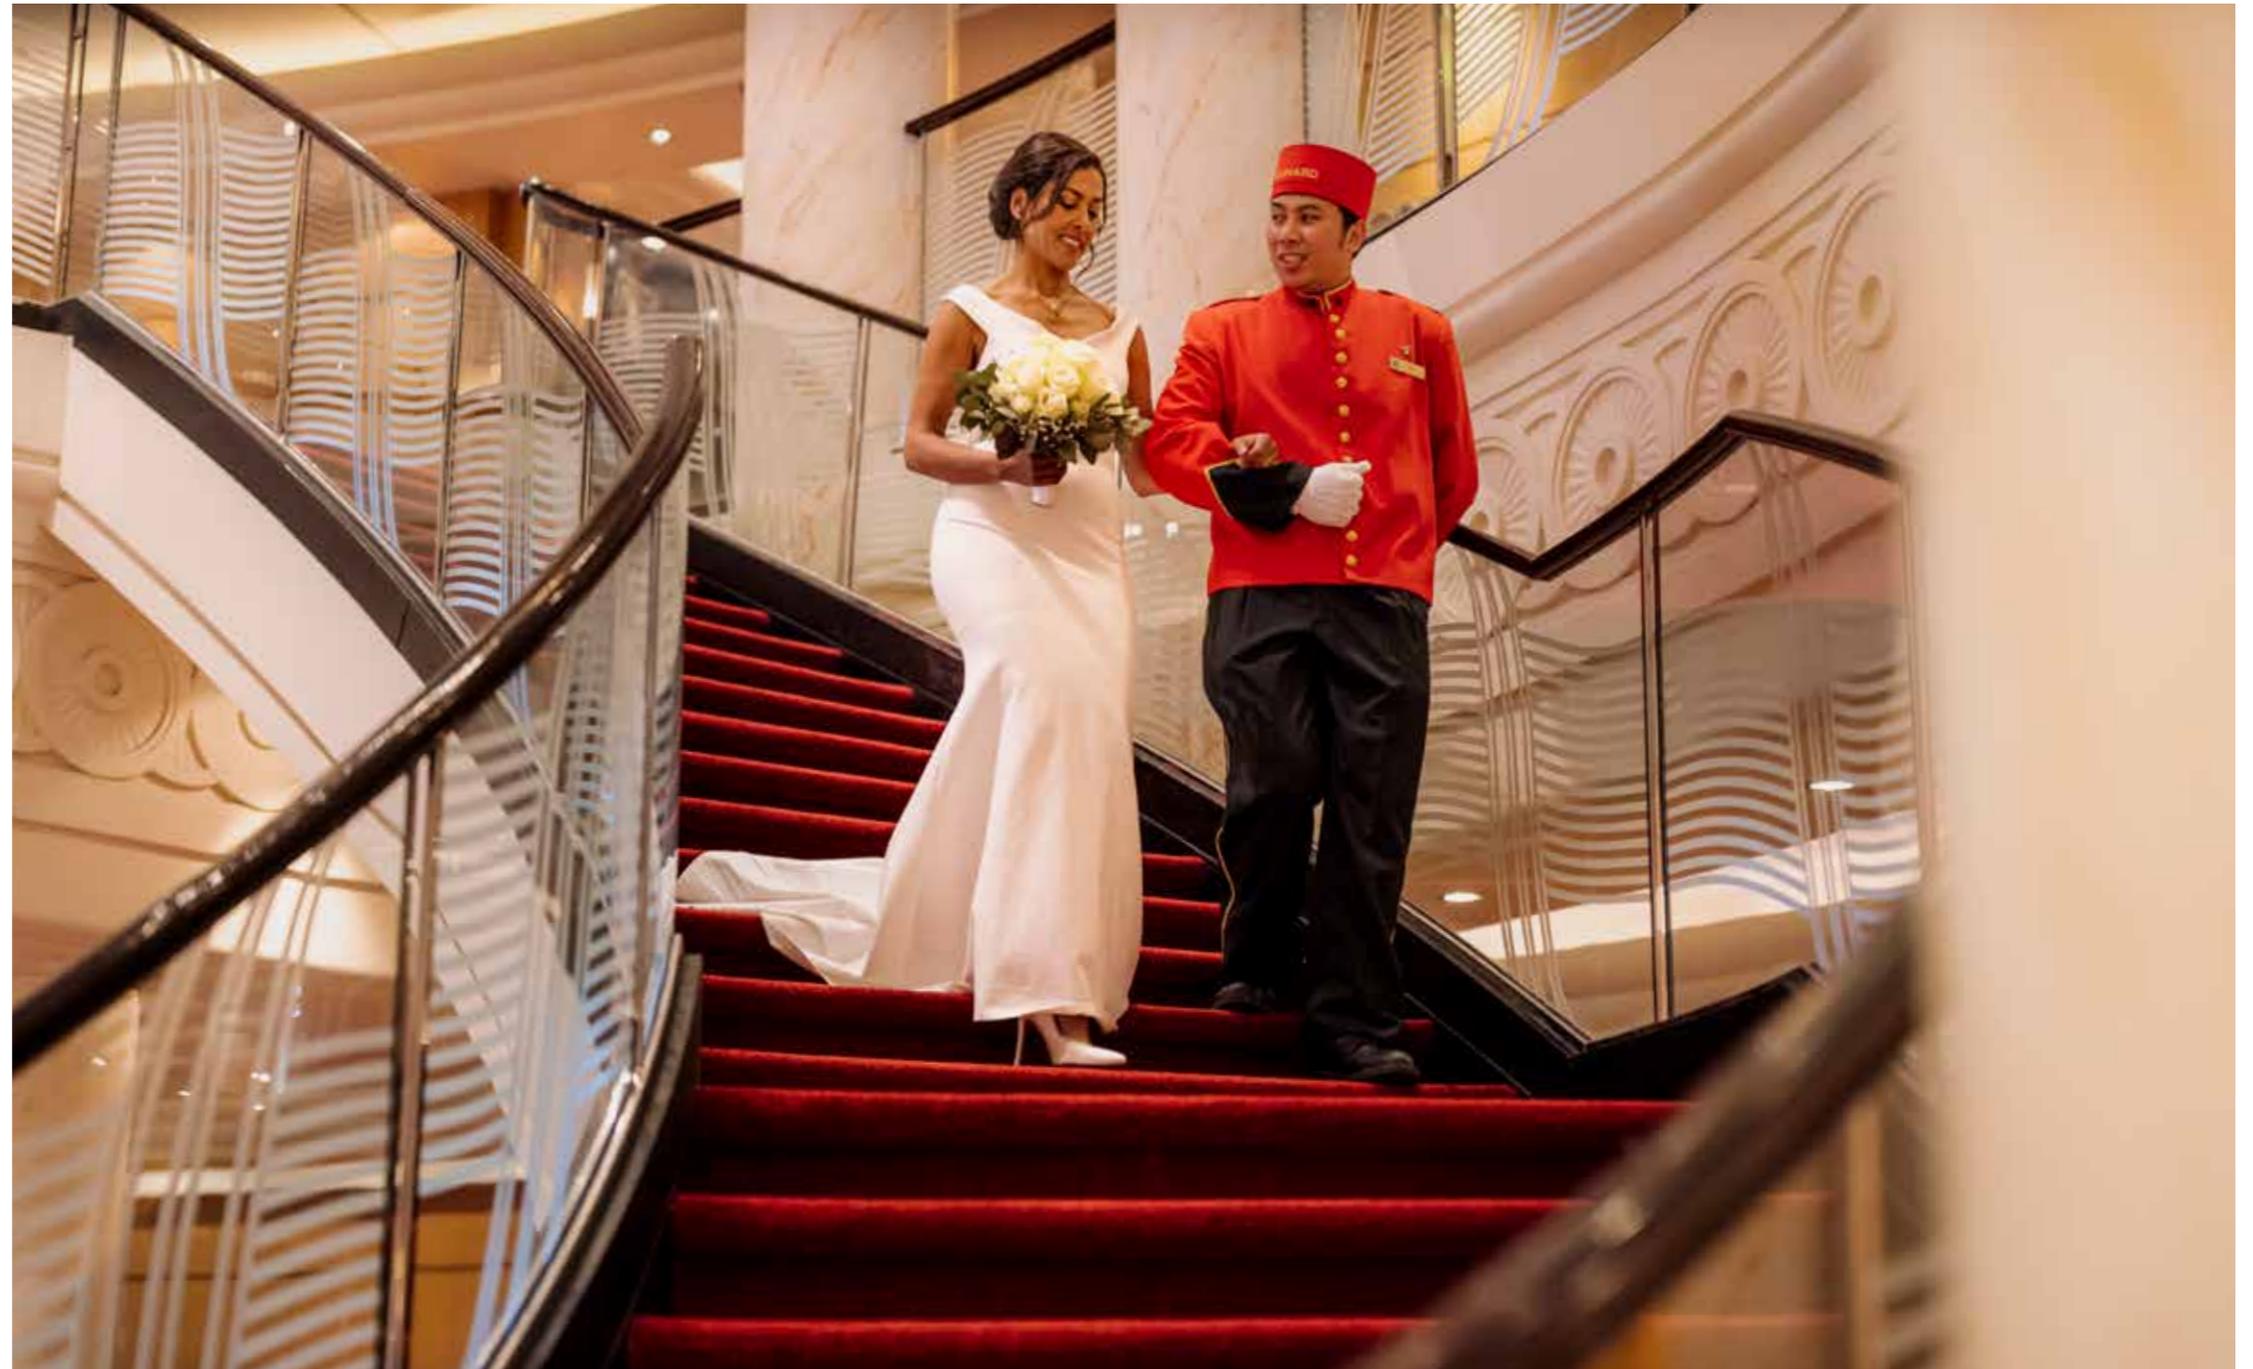

From weddings and vow renewals to any other occasion you'll be celebrating on board, a Cunard ship is a one-of-a-kind destination on which to toast life's special milestones. Treasure an extra special Champagne Afternoon Tea in the Queens Room. Take the perfect photo of your nearest and dearest all together in the Grand Lobby. Dance the night away to an upbeat soundtrack. Whatever you're celebrating, there are plenty of ways to do so with Cunard.

Why choose Cunard?

For an event that won't be forgotten,
choose Cunard.

An Iconic luxury experience, with White Star Service that leaves you wanting for nothing. Our ships have played host to some of the most magical love stories for decades, and are known for their art deco style, reminiscent of Hollywood glamour. You've never felt more special than that moment when you descend the stairs of the Grand Lobby, dressed in something exquisite. Be met by a room full of smiling faces, as your nearest and dearest look on with love while you're escorted by an iconic Cunard bellhop. All while sailing on sparkling seas, to your next destination. Champagne served by white glove waiters, flowers, fine dining, it's all yours as standard at your celebration at sea with Cunard.
