Navigating your way toward  
your magic day

## planning your wedding

### Decide on a cruise destination and wedding date

In addition to At Sea and Harborside weddings, Princess also has a variety of Ashore destination wedding options. Contact your travel consultant or Princess Cruises Reservations Department for a cruise quote on your preferred wedding date, destination brochures, or any information you may need.

### Start planning the big day

Contact our Tie the Knot staff at (855) 434-3550 to speak with an experienced wedding coordinator. Your wedding coordinator will be happy to share their expertise, answer questions and offer helpful suggestions during your planning stage.

### Check wedding date and location availability

- If you are planning an At Sea wedding, your wedding coordinator can place your preferred wedding date on a courtesy hold for three (3) business days. Your reservation will automatically cancel if payment has not been received within three (3) business days of placing your reservation.
- If you are choosing a Harborside or Ashore package, confirm with your wedding coordinator that the courthouse or wedding venue is open on your preferred wedding day as some courts are closed on local and national holidays and some weekends.

### Place a deposit on your cruise

- Contact your travel consultant or Princess Reservations to book your cruise and obtain a reservation number. Remember to book any wedding guests who may be joining you on your cruise.
- Also, discuss flight, hotel and transfer options with your travel consultant. If you are being married on the day of sailing, we strongly encourage you and your guests to arrive at least one day prior to your wedding.

- The wedding couple and guests attending a Harborside wedding on the day of sailing are requested to be at the pier by 10:30 a.m. Please note: The Princess transfer program may not be available for wedding parties from the hotel/airport to the ship due to the time constraints.
- Ask Princess Reservations about our convenient Cruise Plus® Hotel Packages for your pre- and post-cruise vacation accommodations.

### Book your Tie the Knot wedding

Contact your wedding coordinator to reserve your Tie the Knot wedding package. When booking your wedding, you'll need your cruise reservation number and full payment is required at that time for the selected wedding package and marriage license. Optional wedding extras can be paid up to 60 days prior to the sailing date.

### Complete the wedding contract

- After you book your wedding, your wedding coordinator will send you a wedding contract and guidelines for your selected wedding destination.
- Fill out and return your wedding contract to the Tie the Knot wedding coordinator within 30 days.
- Once your signed contract, guideline documents and payment have been received, your wedding will be officially booked.

### Review your wedding options

- Wedding and reception extras – music, hors d'oeuvres and more – are required to be booked and paid for no later than 60 days prior to your cruise date.
- All wedding extras are booked based on availability and are not confirmed until paid in full. So we recommend you reserve early.
- Privately contracted shoreside wedding photographers, videographers, entertainment, food and beverage, cakes, fresh flowers, etc. are not permitted. We arrange for these extras separately.

Note: Package and upgrade pricing varies by port. All prices are in U.S. dollars.

meant

## Decide on your wedding attire

Should you need assistance, our Tie the Knot program offers a wide selection of formal tuxedos for rent as well as an array of bridal accessories for purchase.

## Create a gift registry

Did you know that Princess has a gift registry where you can receive money to spend on your honeymoon cruise rather than pots or pans, a toaster or towels?

By registering and creating your website at [www.Princess.Honeymoonwishes.com](http://www.Princess.Honeymoonwishes.com), you can choose from a list of options you wish to enjoy on your honeymoon — from shore excursions, drinks by the pool, spa treatments or trip contributions. You can also, share photos and print or email announcement cards, save-the-date notes and RSVP's

## Safety and security

Because Princess takes the safety and security of our guests very seriously, it is necessary to have the following information and documentation to your Tie the Knot coordinator 45 days prior to sailing in order to attend a wedding at the pier or to board a Princess vessel:

- Sailing guests: You will need their names and stateroom numbers.
- Non-sailing guests: You will need their names, dates of birth, nationalities and driver's licenses or passport numbers. A birth certificate is required for children under 16 years of age.

## Apply for your marriage license

**Harborside or ashore:** It is your responsibility to ensure you have a valid marriage license. Upon request, your Tie the Knot wedding coordinator can assist you in obtaining your marriage license in most ports. Remember, some ports have unique requirements.

**At Sea:** Your Tie the Knot coordinator will assist you with obtaining all the necessary documentation required by Bermuda and process your marriage license application on your behalf. You will be provided with marriage license guidelines and an application form. Please review, complete and return documents to your wedding coordinator no later than 60 days prior to sailing.

# frequently asked questions

Here are some questions and answers we frequently hear from wedding couples:

**For our At Sea wedding, once the marriage license has been submitted to Royal Ocean Events do we need to bring any items or get a marriage license from our home town?**

For At Sea weddings, once you have submitted your Notice of Intended Marriage and any decrees (if applicable) you will not need to bring or provide any other items. The marriage license will be processed and ready for you once onboard.

**Who will my contact be once I am onboard?**

Your Tie the Knot wedding coordinator will help you plan all ceremony and reception items until you leave for your cruise. Once onboard you will have a chance to meet with the Officer who will be your wedding coordinator. The onboard wedding coordinator will go over all the wedding details and will be your contact for your wedding day celebration.

**When do we pay for our wedding package and all extra touches?**

The Wedding Package price is due at the time of booking your wedding. All wedding extra touches must be paid in full no later than 60 days prior to your cruise.

**When do I confirm the wedding time and location?**

Your Tie the Knot Wedding Coordinator will confirm your wedding time and location for you. If you have a specific time and location you would like to be married, inform your Wedding Coordinator and they can request this for you. All locations and times are subject to availability.

**When will we receive our Marriage Certificate once we arrive home?**

Please allow 8-10 weeks to receive your certified copy (10-12 weeks for international mailings).

**Do I get priority boarding for my wedding?**

If you are being married on embarkation day at any port you will receive priority boarding. Priority boarding does not apply for At Sea or Ashore Wedding options.

All non-sailing guests will need to provide their name, date of birth, nationality and driver's license or passport to be able to come onboard for the wedding.

**What decorations are set up in the Chapel and can I bring my own?**

In the Chapel, there will be floral arrangements atop two pillars along with candelabras. If you want to provide your own small decorations you are welcome to do so as long as they do not damage the Chapel walls or any items inside. Inform your Tie the Knot Wedding Coordinator if you wish to bring any of your own items onboard to decorate the ceremony.

**Do you perform same-sex marriages?**

Same-sex legal ceremonies are currently offered in select ports where legally permissible. We can provide symbolic ceremonies at sea harborside and ashore in ports where same-sex weddings are not legally permissible. Please contact your Tie the Knot wedding coordinator for more information.

**How do I know if I require an Apostille for my marriage?**

Typically many couples from Europe and Australia will be required to have an Apostille. An Apostille is a separate document that is permanently attached to the marriage certificate that states the marriage certificate is an official government document.

**For our reception, we do not like all of the food items listed. Can we change the items we do not like?**

All menu substitutions require special approval. Inform your Wedding Coordinator of the item(s) you wish to substitute out and what you are interested in and they can request the changes be made. All requests will be reviewed, but not all requests can be honored.

**How do I pick all of my wedding details?**

Your Tie the Knot Wedding coordinator will send you a listing of all wedding and reception options once you have sent in the Coordinator Agreement Form and booked your wedding. This will include the bouquet type and color, wedding cake options, ceremony music, reception options, etc.

**We are under the 60 days prior to our cruise sailing date; can we still book a wedding?**

All ceremonies and receptions are booked based on availability. On occasion, weddings may be booked within 60 days at an additional late booking fee of \$250 USD.

**How can we bring onboard items needed for our wedding on Embarkation Day?**

You and your guests must carry onboard all of your wedding items in an airline approved carry-on (one per person) since luggage checked curbside may not arrive in your stateroom until after the wedding.

# general information

## Reservations and payment

All ceremonies and receptions are booked based on availability. All weddings must be booked and paid in full at least 60 days prior to your cruise. If possible, weddings may be booked within 60 days at an additional late booking fee of \$250 USD.

All wedding packages may be paid by check, money order or credit card. American Express, Visa, MasterCard and Discover are accepted. All pricing and payments are in U.S. dollars. All pricing and sales are subject to change without notice. Tie the Knot reserves the right to substitute items of equal or greater value.

Tie the Knot wedding coordinators can arrange most of the services offered for land weddings; however, there are limitations onboard a cruise ship and at some of the ports of call. Extra touches should be ordered and paid in full as soon as possible due to the limited availability of some services. Extra touches must be booked no later than 60 days prior to sailing.

Tie the Knot reserves the right at any time not to book or to cancel a wedding onboard one of the ships if the wedding coordinator feels they will not be able to accommodate the couple's needs or meet their wedding expectations.

Please be advised that in the event of weather conditions, change in itineraries, missed ports, or unforeseen circumstances, Princess Cruises may at any time and without prior notice deviate from the set wedding time, location or reception length. For this reason it is not recommended to put your wedding date on any printed materials, etc. until after the wedding.

## Ceremony and reception

Times and locations are set based on the requirements of each event and will not be confirmed until 30 days prior to sailing. Onboard weddings are normally performed in the chapel (if applicable) or in one of the onboard lounges. Land weddings are normally performed at a public beach, garden or gazebo. All times are approximate and may be delayed and land locations may be substituted due to unforeseen events.

Please note that some ports of call or the At Sea weddings require certain vows to be read by law. Please ask your wedding coordinator for details.

## Wedding guests

All wedding packages are designed to accommodate the bride and groom. Tie the Knot will allow up to 10 non-sailing guests to board the ship for the ceremony at no additional charge. Princess will allow additional non-sailing guests if you purchase a wedding reception; see the reception sections for more details. If you do decide to purchase a reception or have more than 25 guests, an additional wedding coordinator is required for each increment of 25. Due to security issues, some ports of call do not allow non-sailing guests. All non-sailing guests will need to present a government-approved picture ID when boarding the ship, and they will need to depart the ship as per local custom regulations.

All prices are in U.S. dollars.

## Your choice boarding

If you are being married on embarkation day, your Tie the Knot coordinator will meet you at the ship's terminal at 10:30 a.m. and escort you onboard once local customs clears the ship. You and your guests must carry onboard all of your wedding items in an airline approved carry-on (one per person) since luggage checked curbside may not arrive in your stateroom until after the wedding.

## Cancellations, rescheduling and refunds

Prior to 60 days: For a full refund of a wedding package or any extra touches, written notice of cancellation must be sent to Tie the Knot no later than sixty (60) days prior to sailing date. A full refund minus a \$400 U.S. booking fee will be refunded. No refunds will be issued for the marriage license or for the license processing. Within sixty (60) days: No refunds will be made for cancellations made less than sixty (60) days prior to cruise. Once your wedding is confirmed with payment, a wedding reservation can only be rescheduled outside of sixty (60) days prior to the sail date. If you need to reschedule your wedding, it is subject to availability and a rescheduling fee of \$250.
