

VOYAGES

TASTE THE GOOD LIFE AT SEA.

DINING ON VIRGIN VOYAGES

From partnering with famed restaurateurs and Michelin-starred chefs to ditching buffets and restrictive drinks packages, we're rethinking the way you dine and sip at sea.

CHEERS

TO THE BEST DINING AT SEA.

One thing that can make or break any experience is the food, so we've made it one of our top priorities to provide exclusively fabulous fare — not just “good-for-a-cruise” food, but genuinely delicious menus with the finest, freshest ingredients curated by Michelin-starred chefs.

Each of our lady ships feature 20+ unique eateries — from a sophisticated steakhouse and an authentic Italian bistro to an experimental test kitchen and the first-to-sea Korean BBQ. And since balance is key, we always offer vegan and gluten-free options.

You won't find a giant dining room or heat-lamp buffets; you will experience incredible flavors from world-renowned chefs doing what they do best, with accolades like the Cruise Critic Cruisers' Choice award for Best Dining and a Wine Spectator award.

WHEN YOU'RE ON BOARD, IT'S ON US.

ALWAYS INCLUDED LUXURY

Once you're on board, you'll enjoy brilliant perks that put you at the helm of VIP treatment — never dimming your glow with unexplained charges.

Our mantra is *Always Included Luxury* and, when it comes to dining, that means:

| 20+ eateries on us

From the Test Kitchen and our lively Korean BBQ, to our red hot Mexican and our incredible food market — all our eateries are included.

| Menus by Michelin-starred chefs

World-class chefs like Brad Farmerie (of PUBLIC in NYC) and Sohui Kim (of Gage & Tollner and Insa in NYC) are a few of the minds behind our menus.

| No buffets or big dining halls

With intimate spaces and diverse options to match your mood, we've ditched the one-big-dining-hall experience and the waste it creates by saying goodbye to buffets.

| Late-night bites

Whether you feel like getting breakfast from our 24/7 diner or a late-night slice from The Pizza Place — if your schedule doesn't stop, nor does ours.

| Essential drinks

Start the day with a drip coffee, quench post-workout thirst with still and sparkling water, get a non-pressed juice by the pool, find your favorite soda, and end the day with a bedtime tea. With essential drinks already covered, you can recharge free of charge.

NOT JUST GREAT DINING FOR A CRUISE, BUT GREAT DINING FOR ANYWHERE.

THE MOST MEMORABLE MEALS
OF YOUR LIFE AWAIT.

Specially designed to transport you to a different time and place, our eateries are the perfect backdrop for the long-lasting memories you'll make.

The Wake

Mixing sophistication and nostalgia with stunning views of the ship's trail, The Wake brings a modern twist to classic, mid-century chophouses. In fact, just entering down the grand staircase of The Wake is an event in and of itself.

Gunbae

Interactive, energetic, and really fun, every meal at Gunbae begins with a Korean drinking game. If you're into hands-on meat grilling and soju drinking, our Korean BBQ is *the* perfect spot to do all that with maximum social engagement.

Test Kitchen

Evolving, chef-driven tasting menus are presented as an ingredient list — but the cooking techniques, presentation, and flavors are explored in ways you've never seen. With innovative and experiential classes like mixology and coffee labs, you'll try different methods and components for unique results.

Pink Agave

Inspired by Mexico's red-hot culture and sexy food scene, the experience at Pink Agave goes far beyond the usual taco. Shareable, social, and spicy — it transports you to the vibrant streets of Mexico City on an immersive odyssey of local cuisine (with the largest selection of tequila and mezcal at sea).

Extra Virgin

Deeply rooted in Italian traditions, Extra Virgin serves regionally-inspired food punctuated by our handmade pasta in a culinary experience as rich in culture as it is in flavor. Start with an aperitivo, then try the grilled meats and taste the seafood, before finishing with a digestivo to make it complete.

Razzle Dazzle

Boasting a bold interior and a daring new dinner menu, this happening spot offers our creative twist on some classic American comfort go-to's. Razzle Dazzle strikes a culinary sweet spot between balance and decadence, with a menu that skews partly toward veggie-conscious dishes, and partly toward meats, sweets, and gluttonous treats.

FOOD TO ELEVATE YOUR MOOD.

CASUAL DINING AND QUICK
BITES AROUND OUR SHIPS.

We've replaced the traditional single dining hall with an array of mouthwatering eateries always included, so that you don't have to eat the same thing in the same place with the same people you don't even know every day. You're welcome.

ShipEats

Our take on room service is your solution for midnight cravings. Or 3 am cravings. Or whenever you get it, really. Whether you don't feel like wearing pants, would rather have a candlelight dinner, or feel like waking up to a pre-scheduled brunch at your door, our 24-hour food delivery service is just a tap away on your Virgin Voyages app.

The Galley

Your go-to for a quick bite, meal, or pick-me-up throughout the day. Featuring a mix of shops and food-truck-style carts, each spot has a unique concept with signature dishes that change to suit the time of day. The Galley boasts a dedicated bakery and pastry shop, a panini shop, a burger grill, a taco shack, a sushi bar with bento boxes, a noodle bar, a popsicle cart, a soup and salad stand, and a 24-hour American diner.

The Dock House

Part elegant Ibiza cabana, part rustic-chic resort, this dual venue brings bright flavors with live acoustic sounds, a Mediterranean-inspired menu, and an ever-changing view. Enjoy flame-grilled skewers or bites like house-made pita and dips from the roving Mezze cart.

The Pizza Place

At The Pizza Place, you have complete control over your pie — from the dough to the cheese, a little cracked pepper, a little ricotta, and any other topping you want...or just choose from the menu (always with a daily special). Featuring a beach club-inspired design, this spot is a perfect late-night, post-drink, hunger-buster go-to.

Sun Club

Fresh poke bowls, bao buns, and endless ocean views are served up from this casual spot on Deck 16, the ideal location for grabbing a light lunch or snacks to take back to your sunbed.

The Social Club Diner

From fairground staples like pretzels and hotdogs to modern takes on milkshakes and floats (boozy or not), The Social Club's signature drinks and treats are just as photogenic as they are stacked high with cookies, frosting, and candy. But we don't call it "social" for nothing — this diner is perfect for playing a good game of air hockey, shuffleboard, foosball, and more.

Lick Me Till Ice Cream

Our whimsical ice cream shop harks back to warm summer nights spent in family-run parlors. With complimentary, homemade flavors to choose from, our scoop shop is the perfect stop for a mid-day or late-night snack. Vegan? Don't worry — we got you covered.

ON THE ROCKS

Focused on aged spirits poured over ice, On the Rocks is the perfect place to make bold choices. Kick-starting the evening with live musical performances, dare to add a twist to your favorite cocktail, stir it up while trying a different flavor, or challenge our mixologists to shake things up and round out the night with a spirited masterpiece crafted on the spot, just for you.

SIP

Whether you're craving a posh early breakfast, an indulgent high tea in the afternoon, or an effervescent nightcap to enjoy while gazing at the moon, our curated champagne lounge was specially designed to satisfy all your bubbles, caviar, and other glamorous needs.

THE GROUNDS CLUB

Just like your favorite coffee shop at home (but with the very best brews and unrivaled ocean views), The Grounds Club and its talented baristas sling Intelligentsia's direct-trade coffee just how you like it (including spiked versions).

THE AQUATIC CLUB

Vacation is somewhat incomplete without a frozen drink by the pool. So stay hydrated as you soak up some vitamin D, and drink in the views with a cold mojito in hand. Or a vodka punch. Or a mocktail with an umbrella in it. Whatever your libation style, we've got a full bar right by the pool so that you're never too far from the hottest parties.

THE DOCK

Offering an alfresco-chic lounge-side service, its menu is focused on light and refreshing drinks and enticing bites to share. Detox with a fresh-pressed juice or drink in the Mediterranean flair with the rosé and spritzer menus, plus craft cocktails made with orange blossom, rose water, and pomegranate.

RAISE YOUR GLASS TO (SEA)RIOUSLY GREAT SIPS.

When it comes to boozy bevies, we're serious about shaking things up. We've partnered with some of the industry's most esteemed mixologists, from the Bar Lab and the Cocktail Cartel, to global bartending phenomenons, to create an exceptional beverage program that brings you what matters most — quality drinks crafted with the best ingredients, without the premium price tag, in settings that inspire and delight.

Shake for Champagne

When it comes to making toasts with a nice bottle of sparkly, we adhere to one simple rule: champs is best served anywhere, anytime. So Shake for Champagne™ whenever you feel like raising a glass, and enjoy effortless sips of bubbly with our on-demand bottle service.

Just open up the Virgin Voyages App and give your phone a shake to see a secret button appear. Tap it, and a bottle of Möet Chandon Impérial® will be delivered to you, so you can drink in the moment no matter where you are on board.

THE LOOSE CANNON

Inspired by seaside bars in Brighton, UK, The Loose Cannon is a nautically-themed dive bar boasting lively music and uncharted trivia nights. With a signature drink menu featuring hits like El Capitano's Gun Powder and the mischievous Shoctopus, The Loose Cannon is one of those places to go for the drinks and stay for the fun.

THE RED BAR

Tucked in the back of Razzle Dazzle, the Red Bar is a bit of a secret with a signature drink menu featuring beloved concoctions with a new spin, like the popcorn old fashioned, as well as showstopping bevies like the goldfish (in a very Instagrammable glass, of course).

DRAUGHT HAUS

Casual yet discerning beer-connoisseur-approved, our stylish Draught Haus features a variety of beers on tap, a wide range of artisanal bottles, boiler makers, and shot cocktails. Sip on artisanal brews while drinking in endless ocean views from a cozy window seat.
